

How does our scientifically designed 'नो-छलक' pack give you more oil?

Empty space to
tackle excess
air-pressure
while pouring

Space
occupied by
5L oil

Scientifically
designed
neck for smooth
flow of oil

Thumb and
finger support
for easy tilting
and a firm grip

Every drop of oil saved is oil gained. Therefore, we designed a special pack which prevents gurgling, facilitates smooth flow and prevents spillage. At the same time its ingenious outer design makes it convenient to hold and tilt while pouring. So, bring home a jar of Tirupati Oil, make delicious, healthy food, and get more value-for-money .
